

San Francisco Lesbian, Gay, Bisexual, Transgender Community Center *Volunteer Spotlight*

November 2008

Lianne Hope

Lianne has only been volunteering with the Center for a short time now but has already proved herself to be a great addition to the volunteer team and a favorite of staff and other volunteers alike! She is at the Information and Referral Desk at least twice a week and brings with her a lot of energy and passion! She is very reliable and punctual for all her front desk shifts and anything else she signs up for. Lianne is dependable and is extremely dedicated to her community. She is a true asset to the Center as she actively seeks to better herself with the desire to improve her knowledge of sexual health issues and anti-oppression frameworks. Her paramount service to the Center is characterized by patience, warmth, cheerfulness, wit and outstanding sense of humor! Her enthusiasm, dedication and compassion make her the volunteer of the month. Thanks Lianne!
