Auction Partnership Opportunities

SFLGBT
CENTER

The SF LGBT Center will celebrate our 19th anniversary at our virtual Soirée fundraiser on Saturday, April 10, 2021. This event highlights the impact of our work and celebrates the resiliency of our community.

Soirée raises critical funds for all Center programs and services. During these uncertain times, we have quickly and successfully pivoted, bringing many of our services online and doubling down on our mission to connect people to the resources they need. The Center has continued supporting those most in need, including unemployed LGBTQ+ jobseekers, youth in need of housing, and transgender and gender nonconforming individuals. Our programs include:

Youth Services

Youth programs cultivate opportunities for independence, self-efficacy, and community- building for disconnected LGBTQ+ youth ages 16-24. Programs include mental health services, drop-in navigation services, and our innovative Host Homes program.

Economic Development

The first of its kind in the nation, the Center's Economic Development programs comprehensively address the economic barriers faced by low- and moderate-income LGBTQ+ individuals and families. Programs include employment, housing, financial, and small business services.

Community Programs

Community programs provide San Francisco's LGBTQ+ population with events, resources, and collaborations meant to strengthen our diverse cultural landscape. Programs include volunteering, information & referral, arts & culture programs.

Soirée will welcome several hundred guests virtually to enjoy an evening filled with entertainment, an online silent auction, specialty food and beverage experiences, and a vibrant celebration of LGBTQ+ community.

We welcome you to partner with us. Our work is made possible by the support of supporters like you.

The final deadline for partner inclusion is March 12, 2021.

Please contact Development Manager Lara Hueter for more information or to pledge your support: LaraH@sfcenter.org or 415.865.5646.
